

ALPS ALTERNATIVE INVESTMENT SERVICES DISTRIBUTION SOLUTIONS

Growing assets while safely navigating the evolving regulatory distribution landscape is a challenge nearly all asset management companies face. Regulators have heightened their focus on financial advisers and enforcement actions are pushing fund managers to evaluate registration requirements and review internal compliance policies and procedures.

The ALPS team acts as an extension of your business to support your distribution strategy and clearly communicate your firm's unique value proposition.

ALPS' Clients Are Able To:

- Actively market and sell their products utilizing their own staff
- Provide flexible compensation structures for sales personnel
- Support broad marketing campaigns for hedge funds and private equity funds

Since 1985, ALPS Distributors, Inc. has Maintained a Continuous Record of Compliance Excellence.

ALPS provides comprehensive broker-dealer support for Fund Managers including Hedge Funds, Private Equity Funds, CPOs, and UCITS, among others.
