

ALPS SERIES TRUST

The ALPS Series Trust (AST) provides Advisers with a solution for bringing open-end mutual funds to market in an efficient and cost-effective manner. It is governed by an experienced Board of Trustees and is organized as a Delaware business trust.

Key Partners Body

- Auditor Firm: Cohen & Company
- Law Firm: Davis, Graham & Stubbs
- CCO & PFO: ALPS

Feature	Benefit	Results
 Existing Infrastructure	Eliminate time spent setting-up a new Trust and nominating a Board of Trustees.	Increased speed to market for the new fund.
 Cost Sharing	A new fund can share several operational costs with other funds in the Trust.	Lower break-even point for the Adviser.
 Simplified Board Meeting Process	ALPS manages all planning and logistics for the quarterly Board meetings.	More time for the Adviser to focus on portfolio management & asset gathering.
 Financial Investors Trust is well-known by Third Parties	A new fund can access certain intermediary platforms with greater ease.	Increased distribution opportunities on major platforms.
 Longevity of Trust	Feel confident in the compliance stability offered by ALPS.	Worry-free operations for Advisers that are new to the mutual fund industry.
